## A little about me

My name is Bezawit Geta. I was born on February 11, 2004. I am the first child of my family. I do have 2 brothers and 1 sister. I used to have a wish to be a software engineer. I have done quite many projects since I was grade 7 specially on fields of biology and IT. I started coding when I was grade 8 started with HTML.

## Apart from HTML, I have learnt:

C++

Python

Scratch

C#

Java

Thanks to God I have fulfilled my wish and I am currently learning at AAU. I am an extrovert girl who loves to chat and play with my friends at my free time. I also love to volunteer. Some of the places I have participated are

- Mekedonia
- ALMUNI
- Nu Enrda
- Great Run

I have visited some places like

- Lalibela
- Tsi Abay
- Tana gedamat
- Gonder

Some of the places I would like to visit are

1. Italy
2. Arba minich
3. Langano

## Games

Since I was 10 I used to play different kind of games like football, volleyball and basketball. When I was around 15 I started playing tennis and started swimming as well. Since then these two are my favorites.

## Social Media

If we don't overuse social media I believe it does have benefits. Scrolling through social media is my gateway to staying connected and discovering trends in real-time. It fuels my curiosity, allowing me to engage with diverse perspectives and share moments of life with others.

## Chatting with family and friends

Talking with friends and family is one of my favorite activities! Engaging in conversations with loved ones do have several benefits like Sharing Experiences, Fun and Laughter, Problem Solving

## Books

Reading a book is my escape into new worlds, where every page turns into an adventure waiting to unfold. It nourishes my imagination and broadens my perspective, making it a cherished hobby that I adore.
